EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech.	Sardar Vallabhbhai National Institute of Technology, Surat	6.88 (Current)	2023-Present
Senior Secondary	GSHEB Board	75%	2023
Secondary	GSHEB Board	83%	2021

EXPERIENCE

- Larsen and Toubro (Precision Engineering and Systems)** Jun'24 - Jul'24
Industrial Trainee - Project Management Group (Surat, Gujarat)
 - Gained hands-on exposure to **Critical Manufacturing Operations** understanding end-to-end process of heavy engineering.
 - Applied **AutoCAD & Siemens NX** for design review, drawing interpretation and component visualization.
 - Developed strong **Project and Time Management** skills by shadowing project leads and coordinating daily reports.

PROJECTS

- Ashwath** Sept'24 - Nov'25
Technical Team Member - Phoenix Racing Electric
 - Engineered and analyzed **Suspension Geometry and Steering System** components to optimize **vehicle stability**.
 - Designed components using **SolidWorks** and performed motion analysis using **ANSYS** and **Lotus Shark** to validate.
 - Contributed to fabrication and assembly of **suspension arms, uprights and steering linkages**.
 - Co-led the **Business Plan Presentation** sub-team, competed in SAE Supra 2025 and Formula Bharat 2026.
- Barriers in EVs Circular Supply Chain** May'26
Project Preliminaries - Group Project
 - Analyzed **26 technical, economic, and policy barriers** to optimize **closed-loop EV** battery supply chains.
 - Evaluated mechanical disassembly, **SOH diagnostic limits**, and battery chemistry **heterogeneity** (NMC/LFP).
 - Assessed **reverse logistics costs** and **Extended Producer Responsibility (EPR) frameworks** for Indian EV markets.
 - Modeled **supply chain bottlenecks** to propose solutions for digital battery passports and collection hubs.
- ElectroDash Mega Event** Mar'25
MindBend 2025 - Gujarat's Largest Techno-Managerial Fest
 - Planned and **Organized Mega Technical Event** of **MindBend'25 SVNIT** from end-to-end.
 - Effectively Managed 2 day event, consisted several teams, 3 different tracks made from scratch.
 - Successfully managed this event with colleagues and team of juniors.
- Data Visualization** Jun'26
Personal Project
 - Developed an **insightful data visualization**, from raw data using **Power BI** as well as **Excel**.
 - Analyzed **multi-source datasets** and built **dynamic Power BI dashboards (DAX, Power Query)** to surface KPI patterns and support data-driven decision-making..

CERTIFICATIONS & WORKSHOPS

- PlastINDIA 2026:** Attended **Largest Plastics Exhibition** representing family firm **Sai-Tech Engineers** at New Delhi.
- Indo-German Toolroom:** Attended workshop on **Press Tools** and learned about it in detail.
- SolidWorks Workshop:** Participated in **Design using SolidWorks** workshop organized by Sopan.
- Certifications:** Completed two certification courses from Coursera.
 - Foundations of Project Management** by Google: Agile Management, Lean Six Sigma.
 - Leadership Skills** by IIM Ahmedabad: Leadership Quality, Emotional Intelligence, Behavior and Decision Making.

ACHIEVEMENTS

- INLT'25:** Selected among the thousands of applicants for **Intern Nation Leadership Tour'25** Delhi & Shimla. 2025
- Delegate:** Attended **Public Leadership Camp 4.0** organized by Disha Foundation among hundreds of applicants. 2025
- JEE Mains 2023:** Cleared the National level entrance exam with applicants over a million. 2023
- GUJCET 2023:** Obtained **85 percentile** in the **state-level** Gujarat Common Entrance Test. 2023

TECHNICAL SKILLS

- Softwares:** SolidWorks, ANSYS*, LOTUS Shark, Siemens NX*, AutoCAD
- Programming:** C*, Python*, $\text{\LaTeX}$ *
- Data Analysis:** Excel, Power BI, MySQL*
- Miscellaneous:** Critical Manufacturing, Project Management, CNC/NC.

KEY COURSES TAKEN

- Mechanical Engineering:** Manufacturing, Theory of Machines, Machine Design, Thermodynamics & its Applications, Fluid Mechanics & Fluid Machines, Metallurgy, Industrial Engineering, RAC, Production Technology.
- Electives:** Plastics & Ceramics, Powder Processing Techniques, CIM, Tooling, Surface Engineering & Heat Treatment.

EXTRACURRICULAR

- Co-Head** Mindbend SVNIT Surat (Gujarat's Largest Techno-Managerial Fest). 2024-2025
- Volunteer** Guest Management, Hospitality (Surat Literature Fest). 2025
- Member** Chintan Pratisthan (Student Chapter, SVNIT Surat), Group Discussions, Debates. 2024-2025
